

TRB invites you to participate at the **19th National Conference on Rural Public and Intercity Bus Transportation**. This conference will be an excellent opportunity to exchange valuable information, interact with peers from across the country and be involved in practice-ready and current research in rural public and intercity bus transportation. The conference will also include information on planning and design; policy, funding and finance; rural transportation in today's operating environment; technology; and special issues in rural transportation.

www.trb.org/conferences/ruralcitybus2010.aspx

Sponsored by Transportation Research Board, the Federal Transit Administration, and the Rural Transit Assistance Program

Cooperating Organizations The American Public Transportation Association, the American Bus Association, the Community Transportation Association, the American Association of State Highway and Transportation Officials, the Vermont Agency of Transportation, and the University of Vermont Transportation Research Center.
